## Autumn is here and Winter is just around the corner!

The Skin can become very dry and dehydrated during the  
winter months so hydrating products that address replenishing  
moisture to the skin and building the skin barrier to prevent  
TEWL (trans epidermal water loss) is essential. There are  
some limited edition Mothers Day Packs available (Be Quick).  
Now that summer is over it is an ideal time to have treatments  
like Skin Peels, Microdermabrasion, address Pigmentation,  
IPL Skin Rejuvenation and Permanent Hair Reduction.

I have included another generous **\$50 Voucher** to use towards  
your next treatment. I look forward to seeing you soon.
